To Whom It May Concern,

I am writing this letter of recommendation on behalf of Crew Christiansen, who would like to be considered for your dance programs and scholarship consideration. I have had the privilege of working closely with Crew for many years, and I can confidently say that he is one of the most gifted, dedicated, and well-rounded young dancers I have worked with in my career.

From the moment I met Crew, I knew there was something special about him. Crew has a desire and a passion for dance that stands out among his peers. Not only does he have the desire, but he has the work ethic! His talent has continued to improve over the years and he takes feedback and instruction well! He thrives on challenge, embraces every opportunity to grow, and approaches each practice/rehearsal/class session with unwavering commitment. His ability to pick up choreography quickly is impressive and he is deepening his understanding of the complexities around the different genres of movement. Crew has a natural aptitude for performance and you can truly feel his love for dance every time he gets the opportunity to perform! Crew is very talented.

In addition to his talent, Crew is a joy to work with. He is responsible and dependable. He sets a good example for his peers. Crew's positive energy connects easily with others and fosters a supportive atmosphere wherever he goes.

I have no doubt that Crew will make a wonderful contribution to your dance program. He has the talent, discipline, and character to thrive in a rigorous collegiate dance environment, and I'm excited to see all he will accomplish in the years ahead.

I wholeheartedly recommend him for acceptance in your dance program and consideration for scholarship if available.

Please let me know if you have any questions or would like further information.

Sincerely,
Lauralyn Kofford
